school fund of Queen Anne's county, such portion of that or any other fund, as may be allowed to any other primary or free school in said county.

Collector—duties,
&c.

Sec. 5. *And be it enacted*, That the said trustees in the month of January every year, shall appoint a collector; who shall give bond in like manner, and whose duties and powers shall be the same as those prescribed in the eleventh section of the act passed at December session, eighteen hundred and twenty five, for the instruction of youth in primary schools, and shall in the month of June, every year, place in his hands a list of the persons owning or holding property in said district, with the sums levied on each, together with a warrant annexed thereto, requiring the said collector to collect from such persons the sums aforesaid, before the first day of the following December; and the said taxes shall be levied for the amount required, according to the valuation made of such property on the books of the levy court; and it shall be the duty of the clerk of said court, to furnish such trustees with a list of such valuation or such other statement as they may require.

Accounts—

Sec. 6. *And be it enacted*, That the said trustees shall keep an account of their proceedings, and report the same to the taxable inhabitants of the district at their annual meetings, or to such special meetings as may be called for that or any other purpose; and shall keep an account against the collector, for the sums authorised to be collected, and for other sums paid into his hands, and shall give him credit for the sums legally paid by him, also, for his legal commissions, and for such taxes as cannot be collected by legal steps and proper diligence.

Treasurer's ac-
counts, &c.

Sec. 7. *And be it enacted*, That the said collector shall have the keeping of all the funds of said school, subject to the written order of a majority of the trustees, drawn in favour of persons having claims against said school; and he shall report to said trustees, whenever required, the amount of funds in his hands, and a full statement of his accounts, and if at the end of the year an unappropriated balance should remain in his hands, the trustees shall consider it as part of the revenue of the succeeding year, and make a correspondent reduction in that year's taxes.
